JOUVEN'S INODOROUS PREPARATION Cleaning Kid Gloves OF ANY COLOR, AND FOR BEAUTIFYING THE COMPLEXION,

Price 25 cts. per Bottle. ONE BOTTLE CLEANS FIFTY PAIR OF GLOVES! Jouven's Inoborous kild Glove cleaners is the article used by the Kid Glove manufacturers of France to impart that purity and so tness to the kid for which their gloves are so justly celebrased. When the glove leaves the hand of the sew r, it is naturally more or less soiled, and this preparation is resorted to, to cleaner and beautify it. To clean kid gloves, no matter how much soiled, or what color they are, dip a piece of white flannel in the preparation, and with it wipe off the dirt from the glove, and in a moment it is as pure and beautiful as when new; and as not the slightest order proceeds from it, the glove can be immediately worn. Full directions accompany each bottle. It is, also, the finest article in the world for cleaning Kid S ippers, &c., and if used for the toilet, will greatful bea tify the complexion, remove tan and pimples of all kinds. The ladies of Louis Napoleon's Court use it, exclusive of any other, for this purpose. Beware of Counterieits. BRANDRETH'S PILLS Not only purify, but they make the blood richer, and add those principles upon which its power to resist disease depends.
Mild operation with successful syspect are the prou-liabilty of Eranderth's Pills. Now that we may soon ex-liability of Eranderth's Pills. Now that we may soon expect genial Spring, it is of great importance that a few doses be used by the wise. Our race are subject to a relundancy of viitated bile at this season, and it is as danger ous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection By their occarional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and bowels. They seen cure liver complaint, dyspepsia, loss of appetite, pain in the head, heart-burn, pain in the breast bone, sudden faintness and costiveness. In brief, Brandreth's Pills work their way to very roots of the disease, cleansing in their passage, re-moving every unhealthy accumulation, till the bood is purified, the whole system renovated, and the unctions and duties of life become a pleasure, where before they had been sadand wears burden. had been sad and wears burdens.

We have thousands of similar testimonials to the following, and such evidence can be had from living witnesses all around us on every side. It is from a gentieman of high respectability, whose letter can be seen at the principal of-ice. He writes:

"I am now fifty two years of age.

For twenty years I have used your Pills as my family medicine, and I wish no other, and I have never had occasion to call a physician in my family, (save in the sickness of my wife with children) during the twenty years." TRUE MEDICINAL PRINCIPLES. Never extract blood. Blood is the life. By abstracting it in painful diseases you may occasion the patient case, but remember this case is only the reduction or lessening the power to feel. And by thus taking away nature's tools, sou may prevent her from fully repairing the ravages of in flammation, and convert what might only have been the sickness of a few days or weeks into a chronic affection of onths or years.

PURGING BY MEANS OF BRANDRETH'S PILLS. This is the means which accords with nature—nature's emedy in fact. When sudden, scate or continued pain occurs, then to insure security you must take a medicine that will surely purge. There must be no shilly shallying, because every minute lost may be fatal. CINCINNATI ADVERTISEMENTS. COUNTERFEIT: CAUTION TO PARTIES PURCHASING N. PIKE'S MAGNOLIA WHISKY

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and a legislation of the above brand of WHISKY, would respectfully inform his customers and pur chasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a count-fielt of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes unfer the name of S. N. Dike's Magnolia Whisky, tincinnati, Ohio, and other names similar to S. N. Fike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfielt brand, and found that it contains a deadly poison; this fact alone impels me to cau-tion the public, protect those who are liable to be ecsived, and prevent the cvil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitaties of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage. Many parties have recently commenced making a brand of Whisky CALLED Magnolia, but they are an immitation of my trade brand, so be careful at d get the only genuine lagnolia Whisky made in the United States, and distilled ply by me. E. R. GLASCOCK, Auctioneer, THE GRÆFENBERG MEDICINES Are well known and eagerly sought for throughout the whole Continent of America.

Never Hefore their introduction could any series of popular remedies be found that were equal to any emer-gency, that were always to be relied on, and were within reach of the poorest persons! Never Hefore the Grafenburg Pills, could you obtain for 25c a certain remedy for Billious Diseases, Liver Complaints, Dyspepsia, Costiveness and Asthma. Never Refere this Fever and Ague remedy, could anything he found that cured all cases of Chills and Fever

Never Before the Green Mountain Cintment *as there to be found, for 25c, any immediate cure for Burns, Bruless, Cuts, old Sores, Erysiphelas, and Inflammations, either external or internal. Never Before Marshall's Uterine Ca-

thelicen was Falling of the Womb, and other Uterine diseases found to be curable. Now, ten cases out of twelve are cured by this medicine. If any physician supposes that this is merely a quark remedy, we would reply, "that it is prepared by Dr. Pomeroy, of Utics, a wealthy and old physician of the Alopathic school—that we will furnish any reputable physi-cian any quantity of it gratuitously to test its merits on his patients; and furthermore, by writing to Dr. Pomeroy, he can be furnished with its compenent parts. It is the great

How many are there now in tile and health, who would, ere this, have entered Death's dark portal, if they had not been recommended to use this in preference to many nostrums that are loudly vaunted?

Never Mefore were Plies and hundred diseases certain of cure. We have cer ificates of persons entirely re-lieved, after Dr. Mott and othe great physicians had as-serted that nothing but the knife could afford relief.

Never Before could inflamed eyes and weakness of sight be cured for twenty-five cents.
